*The Spirit of the Sovereign Lord is on me, because the Lord has anointed me to preach good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of the Lord's favour and the day of vengeance of our God, to comfort all who mourn, and provide for those who grieve in Zion—to bestow on them a crown of beauty instead of ashes, the oil of gladness instead of mourning, and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the Lord for the display of his splendor.*

## Wielding Banners for Worship, Warfare and Ministry

“Every now and then throughout history, God raises up someone with an anointing to break through and establish something new. The opinions of man will not deter them, for they are carrying a brand-new weapon in God’s heavenly arsenal to be unfurled against the enemy.

God is using David and has uniquely gifted him to harness and train exuberant banner wavers of all ages and gender, bringing strategic order and purpose and a correct and biblical understanding of their use.”

- Marilyn Billing, Senior Pastor, Zion’s Hill, Australia

## About David Stanfield

David has been moving in worship for over 10 years—first in mime, then dance and now with banners. He has a call on his life to release people into fuller worship and to bring unity to the Body of Christ. Worship banners are simply a tool to help this happen.

The anointing to release men & women in to worship flows through large silk banners that he designs and uses. For men they allow bold and masculine movements, which better capture the heart of a man after God. For women, they allow a freedom and expression vital for live worship. David has a special place for facilitating children in worship too.

David delights in running worship workshops with banners. He has facilitated seminars and workshops for small church gatherings, worship camps, intercessor groups, and at international conferences.

## About the Workshops

David’s workshops are simple, fun and pragmatic. They lay a foundation for the effective use of banners and flags in Christian worship and spiritual warfare. They are hands-on and appropriate for worshippers from 3 to 99 years old, from those who have never even held a banner, to old hands who worship even in their sleep.

A place to be equipped in the movement arts so we can use this creative language to be light and salt to our nation and the world. It is a place of genuine love & friendship where we are connected and supported in our calling.

We are a people with two beating hearts one Pakeha (Tangata Tiriti - settlers) & one Maori (Tangata Whenua-people of the land) that become one; Tangata Aotearoa (People of New Zealand) as we worship The LORD creatively.

### Kia Ora!

Come and connect with us as we seek to proclaim His truths in wielding banners for worship, warfare and ministry!
