

Christian Dance Fellowship of Britain

The CDFB is a network that connects dance enthusiasts who share the Christian faith. It brings together professional dancers, beginners and all in between, using all styles of dance in worship, intercession, healing, evangelism and prophetic interpretation.

Membership is open to all who accept the principle of the Christian faith and who want to support the use of movement and dance as an expression of this faith.

Come explore the creative gifts given by our creator God and be helped to develop and communicate your faith in a new way with dance.
