ICDF Dance & Culture Study Tour
May 6th-12th 2019

Culture Tour participants will have the option of attending a two day course to learn about the Biblical Foundations of Christian Dance. The course will be made up of 6 modules and will be presented in partnership with the ICDF Diploma. As the course is part of the Dance and Culture Study Tour programme, there will be no extra cost except for the manual (cost of the manual is still to be announced). Information will be made available as the planning progresses. This programme is aimed at those who have never been exposed to Christian Dance before; those who seek to receive Biblical or other teaching on Dancing for the Lord for themselves; and those who are interested in gaining experience and greater knowledge for teaching about Dance as a form of Worship to others.
