ICDF Prayer Watch

Invitation for Photos

As a new project we are putting together a video made up of photos that were taken at the annual ICDF Pentecost Prayer Watch events internationally from 2012 - 2020. Anybody who has been part of these is invited to send us their photos for inclusion. Most important is that the photos we are looking for must be the original size. The deadline for us to receive the photos is 9 August 2020.

Please send to icdfworld@gmail.com

Thanks for supporting us in this amazing project and have fun as you go through your photo archives!
