

ICDF NEWSFLASH

JULY 2022

Hi everyone

The count down to the ICDF Conference in Sweden has begun. In just 22 days we will be in Gullbranagan, with our Psalto hosts welcoming more than 120 delegates from around the world to the 11th ICDF Conference "Life with Joy and Abundance" 2022. Some delegates have already left home and are doing prayer watches on route via Jerusalem in preparation for our conference. For those of you who are still wanting to attend, the In person and Virtual Conference options are still available. To register, go to <https://gatherings.icdf.com> to register.

On Saturday 9 July, we also have our Special ICDF General Meeting with country and network leaders as well as supporters of ICDF.

At this meeting our newly elected ICDF Joint Coordinators and Steering Committee will be commissioned as they take up office for their 3 year term.

MESSAGE FROM THE STEERING COMMITTEE 2022

Our heartfelt thanks goes to Jan and Saartjie for their huge contribution to ICDF over the years that they have served as Joint Coordinators. We wish you lots of special moments with your family, friends and loved ones and may the journey ahead bring much fulfilment in all that you devote yourselves to.

As from today, Sue and I will be responding to all emails and queries related to ICDF. We look forward to serving and building strong relationships with all of you and hope that you will be just as excited as we are to venture into new territories with us.

God bless

Liesl & Sue
